## School Overview

Peachester State School is a small rural school (134 students) in the hinterland of the Sunshine Coast. Most students are of an English speaking background. Employment in the community is varied and includes management, professional, government, education, farming and trades. Peachester State School provides a safe, supportive, stimulating environment where staff, parents and community members work to provide quality education for our students. The school has developed close partnerships with community groups - there is a very strong environmental awareness in both the school and the community. Our school and community are concentrating on maintaining and improving literacy - daily reading occurs, with parents and community members involved in a daily one-on-one reading programme with the early year's students. Fostering a reading culture will continue to be one of our "main aims".

## Principal's Foreword

### Introduction

#### **School Progress towards its goals in 2016**

In 2016 our focus remained on building consistency across our reading program, embedding the great work undertaken as part of the North Coast Region Success Numeracy project with maths warmups and question types and embedded the peer coaching and feedback model implemented as part of the Success Numeracy project, which contributed to our ongoing improvement in student achievement. We improved communications with our community through our electronic newsletter and investigating how technology might assist us to keep our parents and community informed of what is happening in our school. We have a dynamic and positive Parents and Citizens' Association who constantly contributed to programs and resources to support our teachers and students.

#### **Future Outlook**

Our focus for 2017 is writing. Teachers will be participating in our small schools learning network to build pedagogical capacity in writing, focusing on teaching of grammar and we will continue to embed peer coaching and feedback to build pedagogical capacity. We will also continue our Numeracy Rich Routines that address key aspects of number as identified through NAPLAN and internal data sources. We will also continue to review and implement our whole school PBL program to support learning processes in writing and numeracy.

<b>2015*</b>	97	52	45		87%
<b>2016</b>	88	46	42		87%

Student counts are based on the Census (August) enrolment collection.

\*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

In 2016, there were no students enrolled in a pre-Prep\*\* program.

\*\* pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

## Characteristics of the Student Body

### Overview

Peachester State School is located in Peachester, approximately 10km from Beerwah. Our community is semi-rural, with students predominantly coming from professional or farming families. Our student behaviour is generally of a high standard and students are enthusiastic learners.

### Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2014	2015*	2016
Prep – Year 3	19	19	20
Year 4 – Year 7	15	28	24
Year 8 – Year 10			
Year 11 – Year 12			

\*From 2015, data for all state high schools include Year 7 students. Prior to 2015, only state high schools offering Year 7 had these students included in their counts.

## Curriculum Delivery

### Our Approach to Curriculum Delivery

We have a strong focus on reading and children read every morning, with the older students being reading buddies to the younger students. Reading homework is scheduled every night. Reading success is tracked through benchmarking and Lexile testing, and teachers are involved in regular professional discussions around student achievement in reading. We are a Stephanie Alexander Kitchen Garden school and conduct garden and kitchen lessons with strong links to the curriculum in mathematics, English and science. Students learn to grow, harvest, cook and share seasonal food which develops their academic and social skills.

### Co-curricular Activities

Instrumental Music – students in years 4-7 can opt to learn to play a musical instrument and participate in our instrumental music program. Enviro Club operates during lunch times and involves students from all year levels who take on tasks throughout the year – mulching, maintaining our frog habitat, worm farm, weeding camphor laurel seedlings, planting Birdwing butterfly vines and managing our litter recycling program.

### How Information and Communication Technologies are used to Assist Learning

Teachers use information and communication technologies in a range of ways at Peachester school. All classrooms have interactive whiteboards and networked computers. We have a purpose built technology room and all classes have digital camera and internet connections.

## Social Climate

### Overview

At Peachester, students are encouraged to do their best through our three school rules: 'Be Safe', 'Be A Learner', 'Be Respectful'. Students are explicitly taught expectations about behaviour in all areas of the school. Students who exhibit appropriate behaviour have access to a range of rewards. Karrak, the yellow-tailed, black cockatoo, is our behaviour mascot. The behaviour of students at Peachester State School is generally of a high standard.

\* Nationally agreed student and parent/caregiver items

# 'Agree' represents the percentage of respondents who Somewhat Agree, Agree or Strongly Agree with the statement.

DW = Data withheld to ensure confidentiality.

### Parent and community engagement

We value the contribution our parents make to their children's learning through the following activities:

Parents and Citizen's Association

Classroom volunteers/helpers especially with reading and changing homework reading books before school

Transport to sporting events in the local area

Assistance in our school library

Assistance at working bees and general grounds care

### Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships.

### School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2014*	2015**	2016

Short Suspensions – 1 to 5 days	2	3	1
Long Suspensions – 6 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

\* Caution should be used when comparing post 2013 SDA data as amendments to EGPA disciplinary provisions and changes in methodology created time series breaks in 2014 and 2015.

\*\*From 2015, Exclusion represents principal decisions to exclude rather than recommendations for exclusion. From 2015 where a principal decided not to exclude, a small number of recommendations for exclusions have been counted as a long suspension. Exclusions, Cancellations and Long & Charge Suspensions may be upheld or set aside through an appeals process.

## Environmental Footprint

### Reducing the school's environmental footprint

Peachester State School has acted actively to reduce its carbon footprint through a range of activities. Our Enviro Club has been the impetus for focusing on reducing our waste, reducing electricity usage, re-establishing habitat for the Richmond Birdwing Butterfly by propagating, planting and distributing Birdwing Butterfly vines, removing camphor laurel trees and re-establishing native varieties and developing an Aboriginal Bush Tucker walk. Recently, through becoming part of the Stephanie Alexander Kitchen Garden Program, students in Years 4-6 grow, harvest, cook and share seasonal food. We have constantly worked to build additional infrastructure to capture rain water to reduce our reliance on river water for our toilets. We have an active recycling program operating at the school where students sort their lunch time waste and are encouraged to reduce the amount of wrapping they bring on their lunch.

ENVIRONMENTAL FOOTPRINT INDICATORS		
Years	Electricity kWh	Water kL
2013-2014	44,126	0
2014-2015	21,937	
2015-2016	27,212	

The consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool by each school. The data provides an indication of the consumption trend in each of the utility categories which impact on the school's environmental footprint.

## Key Student Outcomes

### Student Attendance

#### Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2016			
Description	2014	2015	2016
The overall attendance rate* for the students at this school (shown as a percentage).	90%	91%	92%
The attendance rate for Indigenous students at this school (shown as a percentage).	80%	67%	DW

\*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2016 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE* (%) FOR EACH YEAR LEVEL													
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7	Year 8	Year 9	Year 10	Year 11	Year 12

2016	92%	93%	96%	93%	92%	88%	96%						

\*Attendance rates effectively count attendance for every student for every day of attendance in Semester 1. The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

DW = Data withheld to ensure confidentiality.

#### Student Attendance Distribution

The proportions of students by attendance range:

#### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

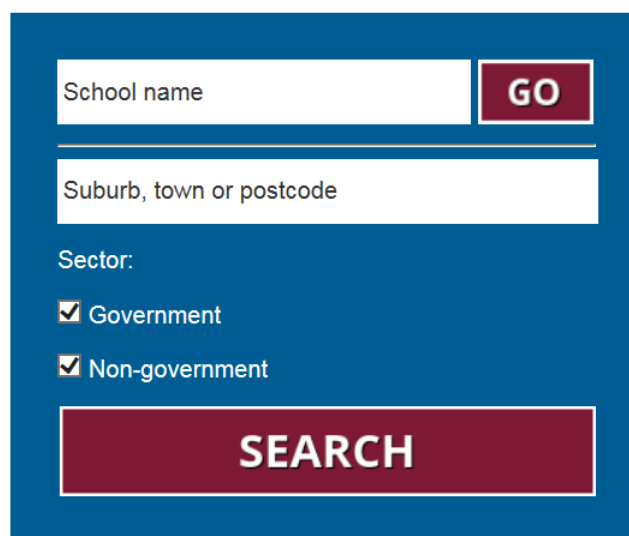

Students are expected to be at school by 8.45am. Rolls are marked in the morning and afternoon. Unexplained absences are immediately followed up with a text or phone call to parents. Early departures or late arrivals are required to report to the office to register. Parents are regularly provided with information about how regular absences impact on student learning. Parents are discouraged from making appointments and holiday plans during the school term.
